Chairman Yantz recognized Professor Gary Thompson, President-Elect of the Faculty Association.

D. Communications and Requests to Appear Before the Board

Debbie Marsh, Staff Member of the Month for April, and Michael Holliday, Staff Member of the Month for May, were presented to the Board. (See Appendix One: Marsh, and Appendix Two: Holliday.)

(Board members Gamez and Law joined the meeting at 1:36 p.m.)

III. ACTION ITEMS

1. Motion to Establish Board of Control Calendar for 2006-2007
BM-1042  It was moved and supported that the attached Board of Control Calendar for 2006-2007 be adopted. (See Appendix Three: Calendar.)

Chairman Yantz noted that the May 12th meeting would be held on Saturday morning, the day of Commencement, instead of on the previous Friday as in the past.

The motion was APPROVED unanimously.

2. Resolution to Adopt Revised Board of Control Bylaws

RES-1700  It was moved and supported that the following resolution be adopted:

WHEREAS, Board of Control Policy 3.101, Article III, Item #22 states that the Saginaw Valley State University Board of Control reserves authorization to establish and modify the Board of Control Bylaws and Policies Manual; and

WHEREAS, Revisions have been proposed to the existing Board Bylaws and Policies; and

WHEREAS, The Bylaws Committee, consisting of Chairman Yantz and Board members Abbs and Gamez have met twice with President Gilbertson, Carlos Ramet (Executive Assistant to the President) and Jo Stanley (Secretary to the Board of Control); and

WHEREAS, The draft of the proposed revised Bylaws and Policies Manual was discussed by the Board of Control at its annual Retreat on April 10, 2006 and their suggestions were incorporated in the final document; and

WHEREAS, The draft of the proposed revised Bylaws and Policies Manual was reviewed by the University's legal counsel:

NOW, THEREFORE, BE IT RESOLVED, That the Board of Control of Saginaw Valley State University give formal approval to the revised Board of Control Bylaws and Policies Manual. (See Appendix Four: Bylaws)

President Gilbertson noted that the entire Board had been involved in the process of modifying the Bylaws. Most of the revisions were technical updates, and the proposed revised document had been distributed to the Board 28 days prior to the meeting, as mandated by the Board Bylaws.

The motion was APPROVED unanimously.
3. Resolution to Approve Confirmation of Board Members for Previously Authorized Charter Schools

RES-1701 It was moved and supported that the attached resolution be adopted. (See Appendix Five: Board Members)

Ronald Schneider, Director of School/University Partnerships, told the Board that each candidate is asked to fill out a five-page application, which includes several questions regarding conflict of interest, and to submit a full résumé. Board Members of the respective Charters must nominate at least two candidates for each vacancy and submit a memo indicating their recommendation. Once the application materials have been received by the SVSUPartnership Office, a criminal records check is completed before final University Board approval.

The motion was APPROVED unanimously.

4. Resolution to Approve Amendments to Public School Academy Contracts

RES-1702 It was moved and supported that the following resolution be adopted:

WHEREAS, The University has granted contracts (the “Contracts”) to Cesar Chavez Academy, Creative Learning Academy, Grattan Academy, Pontiac Academy for Excellence, Sunrise Education Center, and Traverse Bay Community School (the “Renewal Academies”) authorizing them to operate as public school academies; and

WHEREAS, The University and each of the Renewal Academies wish to extend the term of their respective Contracts;

NOW, THEREFORE, BE IT RESOLVED, That the contracts between the University and Cesar Chavez Academy, Creative Learning Academy, Grattan Academy, Sunrise Education Center, and Traverse Bay Community School whereby the University authorized the academies to operate as public school academies shall be amended to provide for the extension of the term thereof to June 30, 2011; and

BE IT FURTHER RESOLVED, That the contract between the University and Pontiac Academy for Excellence whereby the University authorized the academy to operate as a public school academy shall be amended to provide for the extension of the term thereof to June 30, 2009; and
BE IT FURTHER RESOLVED, That the President and/or the Director of School/University Partnerships, acting together or separately, are authorized and directed to execute such documents as may be necessary or desirable to accomplish these purposes.

President Gilbertson told the Board that five of the charter schools were being recommended for five-year renewals, which is the standard term. One is being recommended for a three-year term because the school requires closer scrutiny and thorough re-examination.

The motion was APPROVED unanimously.

5. Resolution to Adopt Revised SVSU Student Code of Conduct

RES-1703 It was moved and supported that the following resolution be adopted:

WHEREAS, It has been the practice to review and revise the SVSU Code of Student Conduct periodically; and
WHEREAS, There are certain procedural changes in the SVSU Code of Student Conduct that have been recommended by the Vice President for Student Services and Enrollment Management and reviewed by Legal Counsel.

NOW, THEREFORE, BE IT RESOLVED, That the SVSU Code of Student Conduct, as revised, is hereby adopted by the SVSU Board of Control. (See Appendix Six: Code of Conduct.)
universities. We dealt specifically with trying to get across three main points. One is student awareness of the issue and the importance of that integrity. The second is faculty and staff awareness of the importance and the need to have a consistent message. . . . The third was some form of record keeping so that those few students who actually are a problem can’t move from classroom to classroom saying that they didn’t know and will never do it again three, four, or five times. It’s good to know something as important as the grade grievance procedure, so the Academic Integrity Board and Hearing Panel was developed to make sure that everybody understands that it’s of primary importance to make sure that when our students perform well in class, it’s because of their own work and not because of someone else’s work. One of the main ingredients of the policy is the honor code adopted by the Student Association this past year that makes it very clear to all the students what their responsibilities are with respect to integrity and other honorable behavior.”

Ms. Boehm added: “We’re really pleased with the way the policy has developed. The conversation about academic integrity and SVSU pretty much mirrors national conversations you read about in the newspapers almost every week. We felt very strongly that having a clear policy and very carefully articulated processes would help both faculty and students clearly understand what’s expected of them and make sure there weren’t any situations where people could fall through the cracks and not know how to proceed in that situation. Having an Academic Integrity Board established now, that includes both faculty and students, will give us an arena for any situations that occur and a methodical process for addressing them.”

The motion was APPROVED unanimously.
6. Resolution to Grant Emeritus Status to Jon Cisky

RES-1704  It was moved and supported that the following resolution be adopted:

WHEREAS, Saginaw Valley State University grants emeritus/emerita status to retiring faculty/administrators who have served the University with distinction; and
WHEREAS, Jon Cisky first joined the criminal justice faculty of SVSU in 1977, bringing to the position his considerable professional experience as a former police academy instructor, deputy sheriff, jail administrator, and juvenile officer; and
WHEREAS, Mr. Cisky served as Department Chair, as a member of the Professional Practices Committee, and on faculty evaluation teams and ad hoc committees. An effective classroom teacher who integrated his professional experiences with academic content, he provided students with extensive career counseling and inspired introductory-level students to select criminal justice as a major; and
WHEREAS, Jon Cisky was elected to the Michigan State Senate in 1990 and represented Michigan’s Thirty-Third District, which encompasses Saginaw and Gratiot Counties. He served on the State Appropriations Committee and was Vice-Chair of the Higher Education Subcommittee, among other committee assignments. Senator Cisky was an advocate for increased State support for higher education and obtained supplemental funding for many University projects and programs. He contributed to the founding of the Michigan Crime Stoppers program and was instrumental in bringing this important project to Mid-Michigan; and
WHEREAS, Mr. Cisky was recognized as “Legislator of the Year” by the Michigan Judges Association and the Michigan Police and Sheriff’s Association, as “Guardian of Small Business” by the National Federation of Independent Businesses, and received an Honorary Doctor of Laws Degree, as approved by the SVSU Board of Control; and
WHEREAS, Upon his return to the University with the rank of Professor in 1999, Mr. Cisky resumed teaching courses, administered the Criminal Justice Field Work Program, and re-earned tenure. He retired from SVSU in December 2005.
NOW, THEREFORE, BE IT RESOLVED, That the Board of Control of Saginaw Valley State University gratefully acknowledge Jon Cisky’s exemplary service and dedication to the University and bestow upon him the title of “Professor Emeritus of Criminal Justice” with all the rights and privileges appertaining to this distinction.
BE IT FURTHER RESOLVED, That a copy of this resolution be framed and presented to Mr. Jon Cisky as a permanent expression of the University’s appreciation.

The motion was APPROVED unanimously.

7. Resolution to Grant Emeritus Status to John Jezierski
RES-1705    It was moved and supported that the following resolution be adopted:

WHEREAS, Saginaw Valley State University grants emeritus/emerita status to retiring faculty/administrators who have served the University with distinction; and
WHEREAS, John Jezierski joined the faculty of Saginaw Valley State University in 1970 and was a Professor of History until his retirement in June 2006; and
WHEREAS, Dr. Jezierski is highly regarded by students and faculty colleagues for exemplary teaching, prolific scholarship, and dedicated service to SVSU. He is a recipient of the University’s two highest awards, the Landee Award for Excellence in Teaching and the Warrick Award for Excellence in Research, and has been accorded numerous other honors and prestigious grants; and

NOW, THEREFORE, BE IT RESOLVED, That the Board of Control of Saginaw Valley State University gratefully acknowledge Dr. Jezierski’s exemplary service and dedication to the University and bestow upon him the title “Professor Emeritus of History” with all the rights and privileges appertaining to this distinction.

BE IT FURTHER RESOLVED, That a copy of this resolution be framed and presented to Dr. John Jezierski as a permanent expression of the University’s appreciation.

Dr. Robert S.P. Yien, Vice President for Academic Affairs, noted that Professor Jezierski was one of only seven people who were employed by what was Saginaw Valley College in 1970. At that time, the campus consisted of one building. Over the 43 years of the University’s history, Professor Jezierski is among only six people who have received both of its most prestigious awards – the Landee Award for Excellence in Teaching, and the Earl Warrick Award for Excellence in Research.

The motion was APPROVED unanimously.

8. Resolution to Adopt General Fund Operating Budget for FY2007

RES-1706    It was moved and supported that the following resolution be adopted:
WHEREAS, The Administration and Board of Control of the University have determined the level of General Fund expenditure allocations required for personnel, services, supplies and equipment to maintain the quality of instructional and support services provided to students;

NOW, THEREFORE, BE IT RESOLVED, That the attached General Fund Budget Summary which establishes the FY2007 operating budget be adopted; and

BE IT FURTHER RESOLVED, That the attached tuition and fee schedule of rates effective beginning with fiscal year 2007 fall semester also be adopted. (See Appendix Seven: Budget.)

President Gilbertson reviewed the process by which the University establishes its General Fund Operating Budget and discussed the attached General Fund Summary and the Recommended Tuition and Fees document for Fiscal Year 2006-2007. He noted that this matter had been discussed with the Board several times already and that the State had not yet adopted its budget for the upcoming fiscal year.

The proposed budget includes a 4.94 percent increase in tuition and fees.

The motion was APPROVED unanimously.

9. Resolution to Approve Transaction Card Banking Partner Agreement

RES-1707 It was moved and supported that the following resolution be adopted:

WHEREAS, SVSU provides a multi-purpose identification and financial transaction card to faculty, staff and students; and

WHEREAS, The University believes it beneficial to offer optional banking services linked to the transaction card and has solicited interest on the part of several financial institutions to provide such services; and

WHEREAS, TCF Bank has submitted a proposal to the University which provides substantial services to the campus community;

NOW, THEREFORE BE IT RESOLVED, That the President and/or Vice President for Administration and Business Affairs be hereby authorized to enter into a banking partner agreement with TCF Bank for the period of May 15, 2006 through May 15, 2016 for services associated with the SVSU transaction card program.
James Muladore, Vice President for Administration and Business Affairs, stated that an SVSU “Access Card” is issued to all undergraduate students upon enrollment. The University has had a relationship with the same financial institution (currently named TCF) for the past ten years, and has been very satisfied with their service. This contract expired in May, 2006 and SVSU solicited several financial institutions as to their interest in providing such services. TCF was the only bank that responded.

The motion was APPROVED unanimously.

10. Motion to Approve New Members and Reappointments to the Saginaw Valley State University Board of Fellows

RES-1708 It was moved and supported that the following resolution be adopted:

WHEREAS, The Saginaw Valley State University Board of Fellows shall consist of a minimum of twelve and a maximum of forty members who shall serve for four-year terms; and
WHEREAS, Arnold Allemang and Paul C. Chaffee have been recommended for appointment as new members; and
WHEREAS, John A. Decker, Judith Zehnder Keller, John W. Kendall, John M. Kunitzer, Kenneth W. LeCureux, Elyse M. Rogers, and James L. VanSlembrouck have been recommended for reappointment to the Board of Fellows;
NOW, THEREFORE, BE IT RESOLVED, That the new members and the reappointed members serve on the Saginaw Valley State University Board of Fellows as stipulated in the organization’s bylaws.

The motion was APPROVED unanimously.

11. Resolution to Extend Wolverine Electricity Contract

RES-1709 It was moved and supported that the following resolution be adopted:

WHEREAS, The Board of Control previously authorized an Electric Sales Agreement with Wolverine power Marketing Cooperative (WPMC) through December 31, 2006; and
WHEREAS, WPMC is offering the possibility of a further contract extension for SVSU
should favorable market conditions develop:

NOW, THEREFORE BE IT RESOLVED, That the President or Vice President for Administration and Business Affairs be authorized to extend the present Electric Sales Agreement with WPMC to December 31, 2010.

Mr. Muladore told the Board that Wolverine Power Marketing Cooperative (WPMC) has offered the University a four-year contract that would fix electricity costs during the life of the agreement. The total contract would amount to approximately $6.5 million and would likely save the University $300,000 by the end of the long-term agreement. Resolution 1709 would grant the President or the Vice President for Business Affairs the authority to extend the present Electric Sales Agreement with WPMC to December 31, 2010 if conditions are favorable.

The motion was APPROVED unanimously.

IV. INFORMATION AND DISCUSSION ITEMS

12. Presentation on Michigan Department of Education Audit of SVSU Charter School Office

Mr. Schneider reviewed the Charter School Verification Visit Feedback Report. He noted that the Michigan Department of Education evaluated 18 different areas of compliance and oversight for which the Charter School Office is responsible, including financial issues, legal compliance issues and curricular issues. The audit was very favorable.

13. Remarks by Dr. Robert S.P. Yien

Dr. Yien spoke from the attached prepared remarks. (See Appendix Eight: Dr. Yien.)

The members of the Board asked Dr. Yien his advice on various matters upon his retiring from the position of Vice President for Academic Affairs. Chairman Yantz thanked Dr. Yien for his
outstanding accomplishments during his long tenure at SVSU, and the Board gave him a standing ovation.

A color-coded calendar. That’s how Debbie Marsh stays on top of the numerous events she organizes. From Board of Control and Board of Fellows meetings to the monthly Fourth Friday affairs and many special events, she assigns each its own hue.

"If my calendar is lost, I’ll be lost," she said.

Previously employed in Financial Aid and the Controller’s Office, Marsh enjoys her current assignment.

"My job is working with every aspect of SVSU – students, employees and the outside community," she said. "I come from a large family and I love to entertain at home, and I enjoy doing it here."

"There are two things that satisfy me on a job, accounting and planning events."

While her calendar management may be old-fashioned, Marsh has adapted to technology, too, learning a lot about PowerPoint presentations during the three years she has been in her present position.

"I love doing them now," she said, "though it’s kind of weird seeing the State of the University address, for example, and thinking, ‘That’s my work up there.’"

Marsh is grateful to have a job that requires problem-solving skills.

“My word that I always use is ‘challenge,’” she said. “I don’t mean that in a negative way, but it’s a challenge to get an event off the ground, to plan it and make it succeed.”

Marsh is quick to express appreciation for the support she receives from everyone in the President’s Office and all corners of campus.

“On any given day, I could get help from several different departments,” she said. “So many people go that extra mile.”

Marsh has pedaled more than a few miles with her husband, Wayne, and their children, Allison, 14, and Shane, 11.

“We took up biking as a family last year,” she explained. “The family also enjoys horseback riding, and Marsh recently purchased an art table for her children, though she may consider herself the true beneficiary.

“I love seeing them be creative,” she said. “I can’t throw any of their artwork away.”

Marsh is also active in community service activities, including Habitat for Humanity and the Reading is Bay County’s Business program. She also coordinates the "Wickes Walkers" team for SVSU’s Relay for Life.

“I have to keep busy," she said.

Above all, Marsh says there is one thing that makes it a joy to come to SVSU each day: “I work with great people.”
Computers have become nearly indispensable on a modern college campus. Mike Holliday has watched the reliance on technology grow rapidly during his time at SVSU. “I’ve gone from being the only tech to having eight people under me,” he remarked.

Holliday enjoys the personnel aspects of his job, but he finds staying current on the latest technology is more difficult. “Technology has grown to the point where it’s very difficult to keep up with all the different varieties,” he said. “It’s a love-hate relationship. I love to work with people and I want to do it, but now I can’t remember all of the different changes in technology because I don’t have time to focus on that any more.”

As hard as they may try, Holliday says IT people cannot be experts in everything. “We can’t know it all,” he said. “We’re learning as much as the users are.”

That includes the latest version of SVSU’s e-mail software. “There is no training available for Groupwise 7,” Holliday said. “We have to learn on our own.”

One area where Holliday has used his experience to make changes is in the operation of the help desk, which can be a stressful position, often receiving more than 200 calls per day. “People tend to burn out in a help desk function,” he said, “so we went from having everyone answer the phone whenever it rang to having specific people on a rotating basis.”

Holliday says the rotations last two weeks and have worked out well, adding that colleagues from other universities are impressed when they hear about the novel approach. “We’re doing things right,” Holliday said. “We’re ahead of the game.”

Holliday rotates machines, too. Each summer, between 200 and 250 terminals are replaced in the heavily-used computer labs across campus, and faculty computers are updated, too. Typically, the units are replaced every three or four years.

Away from the office, Holliday is “learning homeowner life” and all of its demands. He also enjoys spending time with his family and playing softball over the summer.

Although admittedly “not a huge computer user at home,” Holliday said he puts his technology skills to use in other ways. Active in his church, he handles the multimedia aspects of worship services.

Holliday finds his job very satisfying, in large measure because of the teamwork and camaraderie among ITS staff. “We have a good group of people who enjoy what they do.”

1.8. Academic Integrity

Violations of the Academic Integrity Policy (refer to the Student Handbook) will constitute a violation of the University regulations under this section.

1.8.1. Procedural Guidelines for reports of violations of the Academic Integrity Policy.

1.8.1.1. Notification: The student will be notified by the Coordinator of Student Conduct Programs that he/she is accused of violating the Academic Integrity Policy by means of a Notice of Charge. This official notification will contain adequate information enabling the student to prepare a response to the charge(s) including the action(s) in question and name of complainant and witnesses.

1.8.1.2. Response: The student will have the opportunity to accept or deny responsibility for the charges(s) in writing. Failure to respond to the charge(s) will be considered the same as admission of guilt. A Hearing Panel of three faculty members and three students from the Academic Integrity Board will review the charge(s) of academic dishonesty and will have the authority to determine a student’s accountability for the charge(s) and to impose appropriate sanctions.

1.8.1.3. Sanctions: The range of sanctions that may be imposed by the Hearing Panel for violations of the Academic Integrity Policy include:

- Mandatory attendance at one or more workshop(s) on academic integrity;
- Letter of apology written to course instructor;
- Anonymous letter of apology to all other students attending the same class;
- Submit written paper on academic integrity;
- University probation;
- Withdraw student from the course;
- University suspension;
- University expulsion;
- Other developmental sanctions deemed appropriate and commensurate with the violation.
- A first time offense will include the minimum sanctions of attendance at a workshop on academic integrity and University probation for up to two semesters.

1.8.1.4. Appeal: Written appeals must be submitted within three days of the written notification of the decision of the Hearing Panel, through the Coordinator of the Office of Student Conduct, to the Vice President of Academic Affairs and the Vice President for Student Services and Enrollment Management.
1.8.1.5. The imposition of regular disciplinary penalties does not preclude an academic penalty imposed by an instructor.

1.8.1.6. Records: All cases concerning academic integrity will be recorded in the Office of Student Conduct Programs.
Appendix Six: Code of Conduct

1.6.21 Gambling: Any form of gambling is prohibited.

1.6.13 Weapons
The possession or use on University property or in approved housing of any weapons such as, but not limited to, firearms, ammunition, pellet guns, airguns, knives, blades, chemicals or explosives, including firecrackers, is prohibited unless authorized in writing by the Chief of University Police. A harmless instrument designed to look like a weapon that is used by or is in the possession of a person with the intent to cause fear in or assault to another person is expressly included within the meaning of weapons. Saginaw Valley State University has adopted a Weapons Policy. It is necessary for students to become familiar with the policy which can be found at http://www.svsu.edu/operationsmanual/4.7-1.html.

2.2 Procedural Guidelines
2.2.2.2 He/she may deny responsibility for the reported action in writing. If this option is selected, the student will be afforded a hearing before a hearing officer(s) not less than three (3) days but no more than seven (7) days following this request. When an extension of time appears necessary to avoid undue hardship, the Coordinator of Student Conduct may extend the time.

2.4 Sanctions
2.4.11.1 University Housing Suspension. This form of suspension precludes a student from remaining in a particular University facility. Or, it may preclude a student from living in any University Housing. The specific period of the suspension will be for a minimum of two semesters. The suspended student is prohibited from visiting any University housing facilities during this suspension and may be subject to arrest if this condition is violated.

2.6 Appeals
The decision of a hearing officer(s) may be appealed by the accused student. Appeals must be made in writing within three (3) class days following the announcement of a hearing officer(s) and should be delivered to the Coordinator of Student Conduct. Appeals will be heard by a hearing officer(s) and handled within three (3) class days of its receipt by the Coordinator. Appendix Eight: Dr. Yien

Robert S. P. Yien:

Remarks at the June 12, 2006, Board of Control Meeting

Transitions are important times, whether in the lives of people or of organizations, for they offer the opportunity to reflect on the past and plan for the future.

For me, this transition marks the end of my 28 years of service as the Vice President for Academic Affairs and the transition to new roles, including teaching and travel.

SVSU too is at a transition point. Over the past decade or so, SVSU has made the transition from an up-and-coming institution to a mature university. The evidence is everywhere:

• a talented faculty
• a professional staff
• a campus that is the envy of many other institutions
• fully accredited institutional and specialized academic programs
• significant federal grants in many divisions
• a student population of about 9600, many of whom have selected SVSU as their first choice.

Institutional maturity brings its own challenges, especially in a time of corporate downsizing, stagnant state population growth, and decreasing state appropriations. Thus this transition prompts me to recommend new possibilities for the future of SVSU.

The Mission and Vision Statements of our strategic plan, Continuing Excellence, outline directions for SVSU’s future:

• An environment of inquiry and openness that respects the diversity of all
• Dedication to the pursuit and propagation of knowledge
• Academic, professional and cultural programs at the highest level of quality and service
• Exemplary teaching, research, and engagement with the greater community.

Are these goals achievable? I believe they are, if we work harder on certain identifiable characteristics of a mature university:
A spirit of teamwork, in which every unit and every employee shares a common commitment to the mission and vision of the institution

A culture in which every employee has opportunities to contribute his/her best ideas in an open and collaborative environment

An appreciation for the value of multiple perspectives when solving problems

Leadership that creates a synergy to draw the best out of individuals

A high level of mutual trust that sustains effective working relationships among employees at all levels.

In other words, I believe we can best achieve our mission and vision in a culture that values true and genuine collaboration; that hires good people and allows them to do their job; that recognizes the value of multiple perspectives when problems must be solved.

Long-established patterns often are the result of historical circumstances or personal preferences. But change we must, and those of us in leadership positions must pave the way.

Where is change needed? I see a number of areas.

1. There are new faces in many roles, both in administration and in the Faculty Association. This is an opportunity to develop new ways of working together. More than 50% of the faculty, 140 individuals, have been hired over the past decade; they are not bound to the old history of animosity and many are eager to establish new working relationships. We should not waste this opportunity.

2. We must renew relationships with our sister institutions. In a time of weakening enrollment patterns, strong relationships with sister institutions can help strengthen enrollments.

3. We must establish communication channels that coordinate the work of all units, so that employees of every unit feel a sense of shared responsibility to address campus-wide problems. Without a common vision and genuine cross-unit dialogue, we are not likely to solve difficult issues.
Take retention, for example. Research shows that the single most important factor in students’ decision to remain at a university is what happens in the classroom. SVSU faculty do care about students; the better informed faculty are about student retention patterns and problems, and the more communication we all have about the issue, the more likely we are to find effective ways to assist students who may be thinking of leaving.

4. We must be more aggressive and effective at recruiting and supporting minority faculty and students on campus. We cannot be a leader in the community unless we pay attention to this need. It will require the best ideas of each of us, and cooperation among all of us, to make a difference.

With true, genuine collaboration among all units, modeled by the leadership in this room, we can maximize our potential. We can bring about the changes in university culture that will position SVSU not only to face the challenges which lie ahead, but also allow the university to achieve the goals set out in its Vision and Mission.

It has been a privilege to serve SVSU during my time as Vice President for Academic Affairs. I thank you for your support and urge you to continue your efforts to strengthen the collaborative spirit at SVSU, so that SVSU indeed becomes the excellent mature university it is poised to be.
