If you were registered with an IRIS Alert Service Profile (i.e. on [http://iris.library.uiuc.edu/~iris/alert/](http://iris.library.uiuc.edu/~iris/alert/)), those profiles were transitioned to Grant Forward. However, you will not receive any alerts from Grant Forward until you have activated your Grant Forward account. These alert services will allow you to receive weekly or monthly emails with grant opportunities that match your research interests.

To activate your Grant Forward account, please follow the following steps:

1. Go to [www.grantforward.com](http://www.grantforward.com)
2. Click on Sign In (it's located at the upper right corner). A login form will be displayed.
3. For security reasons, you will be required to reset your password. Thus, when the login form is displayed, click on the Forgot your password? link to reset password.
4. When you are prompted to enter an email address in the reset password form, enter the email address you used to register with IRIS. Grant Forward will then email you instructions to reset password.
5. Once you have reset your password, you may now sign in to Grant Forward. The minute you are signed in, your Grant Forward account is activated. Go to your "Saved Searches" to locate your alerts. The alert system can set alerts on multiple searches.
6. You will want to link your account to SVSU, which will allow you to access the system from home.

If you created an Expertise Service from IRIS, that profile did not transfer.

Please contact Sponsored Programs with any questions. There is a workshop offered in November discussing Grant Forward.
