Middle and High School Partnerships for Earth Science • FY 10
The SVSU Regional Mathematics and Science Center, was awarded $195,831 from the Michigan Department of Education for the project “Middle and High School Partnership for Earth Science.” The purpose of this project was to provide professional development to Earth science teachers and principals. The goals of this project were to improve teacher knowledge of Earth science content, improve teacher pedagogical knowledge and skills, and to develop and support strategies for principals to assist teachers as they present and implement Earth science education. All three of these goals were met based on the forty-seven teachers and administrators from thirty different schools that were successfully served by this project.

Saginaw Bay Watershed Native Planting Preserve at Saginaw Valley State University • FY 10
Stephen Hocquard, Assistant Vice President of Facilities Planning and Construction, was awarded $40,000 from the Saginaw Bay Watershed Initiative to aid in establishing a Native Planting Preserve on the SVSU campus. The Preserve’s purpose is to educate and create awareness among the SVSU and surrounding communities on the subject of native plantings. Over 250 volunteers helped fill the site near the Health and Human Services building with an estimated 8,000 plants planted during the Native Planting Day activity held in October of 2010. The plantings have served as a platform to teach members of our campus and community about the beauty and benefits of native plants, such as providing a habitat for insects, birds and animals that live in our region while providing a beautiful environment for learning and recreation.

2010-2011 Mathematics and Science Center • FY 11
Tamara Barrientos, Director of the SVSU Regional Mathematics and Science Center, was awarded $58,209 from the Michigan Department of Education for the 2010-2011 Mathematics and Science Center grant. The goals for the center include providing support in the following areas: support of curriculum reform; professional development programs and opportunities for area teachers; advocacy and assistance to districts in the acquisition and use of technology in implementing mathematics/science curriculum reform; and assisting ISD’s in our service area with professional development in STEM areas for local teachers. The center has improved the quality of math and science instruction in our region and continues to benefit the University and our surrounding communities.

**SVSU COLLEGE OF BUSINESS AND MANAGEMENT FAMILY BUSINESS RESEARCH GRANT**

Given the significance of family business to the region, the College of Business and Management seeks to increase the breadth and depth of our collective knowledge on family business issues and strengthen the SVSU brand within the larger family business community and the broader academic community. Grants will be awarded to research teams. Team members must be either faculty, endowed chairs, or staff within the CBM and outside collaborations as determined by project need. The team must have at least one faculty member. Preference is given to teams that help faculty achieve and maintain academic qualification status. Anticipated awards will range from $8,000-$15,000/team for up to two years.

**Application Deadline: January 19, 2013**

**SVSU FOUNDATION RESOURCE GRANT PROGRAM**

This grant program is processed by submitting your application through the SVSU Enterprise Workflow System, [http://kew.svsu.edu](http://kew.svsu.edu).

The funds are generated by distributions from the SVSU Foundation Resource Fund Endowment. The program was created to encourage innovation and enrichment of opportunities for students. The program supports domestic conference/event travel experiences, seminars, entertainment, cultural experiences, one-time start up funds for new programs, and other projects and activities. Please note that the Resource Grant Program will no longer accept request for study abroad. All faculty and staff are eligible to apply for grant for projects enriching the educational experience of students. Notifications are usually made 30 days after submission deadline. Guidelines and application materials are available at [https://foundation.svsu.edu/resource-grant-program](https://foundation.svsu.edu/resource-grant-program).

**Application Deadline: February 15, 2013**

**THE ALLEN FOUNDATION STUDENT/FACULTY RESEARCH GRANT**

The purpose of the grant is to support student/faculty research that addresses various health and nutritional issues facing the region. See [http://www.svsu.edu/sponsoredprograms/internal-grants.html](http://www.svsu.edu/sponsoredprograms/internal-grants.html) for details. The project dates should fall within May 1, 2013 - April 30, 2014.

**Application Deadline: March 15, 2013**

**COLLEGE OF EDUCATION RESEARCH AWARD**

This grant is considered to be SEED MONEY designed to support research and stimulate the submission of proposals to other agencies for external funding. This award will support 2-4 projects yearly; each award will be no more than $3,000. Proposals are accepted from full-time faculty members on continuing appointment in the COE. The project dates should fall within July 1, 2013 - June 30, 2014.

**Application Deadline: March 15, 2013**

Contact Sponsored Programs for assistance in proposal preparation and budget assistance. Our office will review each application before shared with the appropriate review committee.

For all SVSU funded projects (internal)

**Reminder:** All check requisitions, travel expense vouchers, purchase orders (POs), HR Action Forms, and any other project documents, are to be sent to Sponsored Programs for approval. We will verify the charges support the approved project and comply with University policies, or assist you in processing a revised budget request to your Dean. Without our signature/initials, the Dean will not sign.
