Office of Sponsored and Academic Programs Support
Funding Opportunities

ARTS AND BEHAVIORAL SCIENCES

ACLS FELLOWSHIPS • AMERICAN COUNCIL OF LEARNED SOCIETIES
Supports research in disciplines of the humanities and humanities-related social sciences. Appropriate fields of specialization include: anthropology, archaeology, art history, economics, geography, history, languages and literatures, law, linguistics, musicology, philosophy, political science, psychology, religion, and sociology. Stipends are set at three levels based on academic rank: up to $35,000 for assistant professor and career equivalent; up to $45,000 for associate professor; and up to $65,000 for full professor. Must be a U.S. citizen or permanent resident by application deadline. See http://www.acls.org/grants/Single.aspx?id=352 for details.
Application Deadline: September 26, 2013

ASIAN STUDIES GRANTS AND FELLOWSHIPS • ASSOCIATION FOR ASIAN STUDIES
Offers several grants to support the research of North American scholars to improve the quality of teaching about Asian cultures at the college and pre-college levels. Grant amounts, details and deadlines vary according to program. See http://www.asian-studies.org/grants/main.htm for details.
Application Deadline: October 1, 2013

NATIONAL TRUST PRESERVATION FUND • NATIONAL TRUST FOR HISTORIC PRESERVATION
Provides grants ranging from $2,500-$5,000 to initiate preservation planning and education projects. Funds may be used to obtain professional expertise in areas such as historic preservation, architecture, archeology, engineering, preservation planning, land-use planning, fundraising, organizational development, and law, as well as preservation education activities to educate the public. Intervention and emergency funds are also available throughout the year. One to one match is required. See http://www.preservationnation.org/resources/find-funding/ for details.
Application Deadline: October 1, 2013

ANNUAL GRANT COMPETITION • U.S. INSTITUTE OF PEACE
Supports any project that fits within the institute's general mandate of international conflict resolution. Provides awards of up to $120,000 across a broad range of disciplines, skills, and approaches. Some areas of interest include: conflict analysis and prevention; mediation and conflict resolution; postconflict peace and stability operations; and religion and peacemaking, among others. See http://www.usip.org/grants-fellowships/annual-grant-competition for details.
Application Deadline: October 1, 2013

FRANKLIN RESEARCH GRANTS • AMERICAN PHILOSOPHICAL SOCIETY
Supports travel to libraries and archives for research purposes, the purchase of microfilm, the cost of photocopies or equivalent research materials, and the costs associated with fieldwork and laboratory research expenses in a wide range of fields. Applicants must hold a doctorate or have published work of doctoral character and quality. Awards are up to $6,000 each. Annual deadlines: 10/1 and 12/1 depending on proposed start date. Grants are payable to the individual applicant. See http://www.amphilsoc.org/grants/franklin for details.
Application Deadline: October 1, 2013

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Occasional Lecturer Program which will fund short visits to other IHEs while in the U.S. See http://www.cies.org/sir/ for details.
Application Deadline: October 15, 2013
ECONOMICS OF RETIREMENT • NATIONAL INSTITUTES OF HEALTH
Supports research (R01; R03; R21) on the economic and health-related factors that influence older persons’ choices on labor force participation as they near typical retirement age and throughout the later stages of life. Calls for analysis of secondary datasets, development of new datasets, observational and experimental analysis, cross-national comparisons; and quasi-experiments enabled by changes in public policy. New strategies for teaching economics including on-line and web-based instruction is of interest. Preference for national projects. Annual deadlines are 2/5 and 9/5. See http://grants.nih.gov/grants/guide/pa-files/PA-11-138.html for details.
Application Deadline: October 5, 2013

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Occasional Lecturer Program which will fund short visits to other IHEs while in the U.S. See http://www.cies.org/sir/ for details.
Application Deadline: October 15, 2013

ECONOMIC LITERACY GRANTS PROGRAM
CALVIN K. KAZANJIAN ECONOMICS FOUNDATION, INC.
Supports a wide range of projects aimed at increasing economic literacy, especially the best way to teach the subject (research, curriculum development); the impact of economic education (policy studies, measurement of economic understanding); and encouragement of youth/young adults to participate in the economic system after finishing school (research, conferences, outreach programs). New strategies for teaching economics including on-line and web-based instruction is of interest. Preference for national projects. Annual deadlines are 2/15 and 9/15. See http://www.kazanjian.org/grants/apply for details.
Application Deadline: September 15, 2013

ECONOMICS OF RETIREMENT • NATIONAL INSTITUTES OF HEALTH
Supports research (R01; R03; R21) on the economic and health-related factors that influence older persons’ choices on labor force participation as they near typical retirement age and throughout the later stages of life. Calls for analysis of secondary datasets, development of new datasets, observational and experimental analysis, cross-national comparisons; and quasi-experiments enabled by changes in public policy. Research that identifies disparities between population segments or emphasizes at-risk groups is encouraged. R01 annual deadlines: 2/5, 6/5, 10/5. Expires 5/8/14. See http://grants.nih.gov/grants/guide/pa-files/PA-12-255.html for R01 details.
Application Deadline: October 5, 2013

ECONOMIC COSTS OF ALZHEIMER’S DISEASE AND RELATED DEMENTIAS • NATIONAL INSTITUTES OF HEALTH
Supports research (R01; R03; R21) on the economic costs of Alzheimer’s disease (AD) and related dementias, including direct and indirect costs to public and private health care payers, families and other informal caregivers, as well as labor market costs from reduced productivity or labor force participation. Topics could include future costs of AD/dementia to public insurance programs; dementia and out-of-pocket care costs; costs associated with informal care delivery; and variation of costs stage of AD severity (mild, moderate, severe). R01 annual deadlines: 2/5, 6/5, 10/5. Expires 5/8/14. R01 annual deadlines: 2/5, 6/5, 10/5. Expires 9/8/15. See http://grants.nih.gov/grants/guide/pa-11-138.html for R01 details.
Application Deadline: October 5, 2013

MACROECONOMIC ASPECTS OF POPULATION AGING (R01) • NATIONAL INSTITUTES OF HEALTH
Economic productivity is an integral part of a society’s ability to produce health and well-being. Macroeconomic factors such as the size and composition of the labor force, domestic and foreign investment, the design of public institutions, and technological development all influence productivity. All of the factors, in turn, can be influenced by population aging. The NIA Division of Behavioral and Social Research (BSR) has traditionally supported research on the economics of aging that uses microeconomic approaches. This FOA invites research using macroeconomic methods to better understand how population aging affects health and well-being. See http://grants.nih.gov/grants/guide/pa-12-186.html for details.
Application Deadline: October 3, 2013
Office of Sponsored and Academic Programs Support Funding Opportunities

EDUCATION

RESEARCH EXPERIENCES FOR TEACHERS (RET) IN ENGINEERING AND COMPUTER SCIENCE • NATIONAL SCIENCE FOUNDATION
Supports long-term collaborative partnerships among K-12 STEM teachers, community college faculty, and the NSF university research community by involving the teachers in engineering and computer science research. Two mechanisms for support of in-service and pre-service K-12 teachers and/or community college faculty: RET supplements to ongoing ENG awards and new RET Site awards. Annual deadline: first Monday in October. Limited submission: three site proposals per institution. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5736 for details.
Application Deadline: October 7, 2013

NEA FOUNDATION GRANTS • NATIONAL EDUCATION ASSOCIATION FOUNDATION
Provides grants to improve academic achievement of students in U.S. public schools and public higher education institutions in any subject areas. Student Achievement Grants (up to $5,000) support initiatives to improve academic achievement. Learning and Leadership Grants support high-quality professional development--$2,000 for individuals and $5,000 for groups. Higher education faculty and staff may apply. Annual deadlines: 2/1, 6/1 and 10/15. See http://www.neafoundation.org/pages/grants-to-educators/ for details.
Application Deadline: October 7, 2013

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Occasional Lecturer Program which will fund short visits to other IHEs while in the U.S. See http://www.cies.org/sir/ for details.
Application Deadline: October 15, 2013

RESEARCH GRANT PROGRAM • SPENCER FOUNDATION
Small Research Grants (2/11, 5/16, 7/23, 10/15) offer up to $50,000 help scholars and teachers in a broad range of academic institutions to pursue pilot research and the initial phases of larger investigations. Major Research Grants (2/1, 5/14) support projects up to $500,000. Foundation focuses on five areas of interest: Education and Social Opportunity; Organizational Learning; Teaching, Learning, and Instructional Resources; Purposes and Values of Education; and Field-Initiated Proposals. Deadlines refer to required preliminary proposals. See http://www.spencer.org/content.cfm/research for details.
Application Deadline: October 15, 2013

ADVANCED TECHNOLOGICAL EDUCATION (ATE) • NATIONAL SCIENCE FOUNDATION
With emphasis on two-year colleges, supports partnerships to promote improvement in education of technicians for high-tech fields. Supports curriculum and professional development; career pathways from secondary schools to two-year colleges and from two-year colleges to four-year institutions; and proposals focusing on research to advance the knowledge base related to technician education. Encourages recruitment and retention of veterans in STEM advanced technological programs. Deadline refers to full proposal; prelim proposals have been eliminated. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5464 for details.
Application Deadline: October 17, 2013

AWARDS AND GRANTS PROGRAM • INTERNATIONAL READING ASSOCIATION
The Association’s awards and grants program ($1,000-$8,000 usually) includes honors for teaching, service to the profession, research, media coverage of reading, and authorship of children’s books. IRA funds Children's Literature Awards, Professional Development Awards and Grants, Research Awards and Grants, Service Awards, Teachers Awards, and Grants and Travel Grants. Various deadlines occur for the different programs offered through IRA. See http://www.reading.org/Resources/AwardsandGrants.aspx for details.
Application Deadline: October 2013
Office of Sponsored and Academic Programs Support Funding Opportunities

**HEALTH AND HUMAN SERVICES**

**BEHAVIORAL AND SOCIAL RESEARCH ON AGING • NATIONAL INSTITUTES OF HEALTH**
Supports investigator initiated research on social, behavioral, and economic research and research training on the processes of aging at both the individual and societal level. BSR fosters cross-disciplinary research, at multiple levels from genetics to cross-national comparative research, and at stages from basic through translational. Unsolicited applications accepted on any relevant topic. See [http://www.nia.nih.gov/research/dbsr](http://www.nia.nih.gov/research/dbsr) for details.

*Application Deadline: October 5, 2013*

**FATIGABILITY, ACTIVITY LIMITATIONS, AND BIOENERGETICS IN AGING • NATIONAL INSTITUTES OF HEALTH**
Supports research (R01; R03; R21) proposing to investigate the role of specific bioenergetic factors in increased fatigability, reduced activity, and diminished sense of well-being in older persons; test the effects of interventions targeted at such factors on performance capabilities, functional status, and other outcomes that relate to quality of life; or develop and evaluate measures of fatigability applicable for observational and/or interventional studies. See [http://grants.nih.gov/grants/guide/pa-files/PA-12-227.html](http://grants.nih.gov/grants/guide/pa-files/PA-12-227.html) for R01 details.

*Application Deadline: October 5, 2013*

**RESEARCH, TRAINING AND PROFESSORSHIP GRANTS • AMERICAN CANCER SOCIETY**
Supports over 20 programs to provide funds to all levels of investigators in cancer research and an enhanced commitment to issues in cancer health disparities, psychosocial and behavioral, health services, health policy, epidemiological, clinical and cancer control research. Also sponsors training grants for health professionals as well as other special initiatives and international programs. See [http://www.cancer.org/research/researchprogramsfunding/fundingopportunities/index.htm](http://www.cancer.org/research/researchprogramsfunding/fundingopportunities/index.htm) for details.

*Application Deadline: October 15, 2013*

**GRANTS AND FELLOWSHIPS • AMERICAN PSYCHIATRIC ASSOCIATION**
Supports educational, informational and outreach initiatives that promote the early recognition and treatment of mental illnesses and encourage leadership in the field of psychiatry. Supports Helping Hands Grants; Minority Fellowship Program; School Mental Health Education Grant; and multiple research fellowships and awards. See [http://www.psychfoundation.org/GrantAndAwards/Grants.aspx](http://www.psychfoundation.org/GrantAndAwards/Grants.aspx) for details.

*Application Deadline: October 17, 2013*

**AFAR GRANT PROGRAMS • AMERICAN FEDERATION FOR AGING RESEARCH**
Supports aging research and the advancement of the research careers of professionals. AFAR Research Grants; New Investigator Awards in Alzheimer's Disease (deadline:12/16/13); Paul Beeson Career Development Awards in Aging Research Program (last deadline 12/6/12); Julie Martin Mid-Career Award (tentative 12/16/13); and Glenn/AFAR Breakthroughs in Gerontology Awards (12/16/13). The Ellison/AFAR Postdoctoral Fellows program has a 10/17/13 LOI deadline. See [http://www.afar.org/research/funding](http://www.afar.org/research/funding) for details.

*Application Deadline: October 17, 2013*

**ACADEMIC RESEARCH ENHANCEMENT AWARD (AREA) • NATIONAL INSTITUTES OF HEALTH**
Supports renewable awards (R15) up to $300,000/three years for projects in biomedical and behavioral sciences conducted by faculty and students from institutions that have not been major recipients of NIH funds. Goal is to strengthen institutional research environment and support active involvement of undergraduate (preferred) and graduate students in research. Students may be paid full time during summer and/or part-time during the semester. NIMHD and NCATS do not participate. Annual deadlines: 2/25, 6/25, 10/25. PA expires 1/8/15. See [http://grants.nih.gov/grants/guide/pa-files/PA-12-006.html](http://grants.nih.gov/grants/guide/pa-files/PA-12-006.html) for details.

*Application Deadline: October 25, 2013*

**RESEARCH GRANTS (ALZHEIMER'S, GLAUCOMA, MACULAR DEGENERATION) • BRIGHTFOCUS FOUNDATION**

*Application Deadline: October 2013*
Office of Sponsored and Academic Programs Support
Funding Opportunities

SCIENCE, ENGINEERING AND TECHNOLOGY

CHEMICAL STRUCTURE, DYNAMICS AND MECHANISMS • NATIONAL SCIENCE FOUNDATION
Supports research on the nature of molecular structure and its consequences for reactivity, intermolecular interactions, and dynamics. Chemical dynamics is defined to encompass reaction kinetics and mechanisms, intramolecular rearrangement or conformational changes, and changes induced via electromagnetic excitation. While the majority of projects supported by CSDM are experimental in nature, the program is receptive to research focused on utilizing applied computational methods. Annual deadlines: proposal window 9/1-9/30. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504796 (A) or http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504807 (B) for details.

Application Deadline: September 30, 2013

MATERIALS AND SERVICE ENGINEERING • NATIONAL SCIENCE FOUNDATION
Supports fundamental research that is intended to enhance the basic understanding of materials in the solid state, including interrelationships among constitution, structure, and properties. Scope includes structural and functional materials in the bulk as well as surfaces and interfaces. Specifically encouraged are proposals that focus on the mechanical, physical, and thermophysical properties of metallic, ceramic, and polymeric materials and composite materials based on these matrices. Annual deadlines: proposal windows are 1/15-2/15 and 9/1-10/1. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13356 for details.

Application Deadline: October 1, 2013

MATERIALS PROCESSING AND MANUFACTURING (MPM) • NATIONAL SCIENCE FOUNDATION
Supports fundamental research on the interrelationship of materials processing, structure, performance, and process control. Analytical, experimental, and numerical studies also supported, covering processing methods such as molding, forging, casting, welding, hydroforming, composite layup, and other materials processing approaches; and research leading to the development of novel processes and hybrid processing techniques. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13344 for details.

Application Deadline: October 1, 2013

STRUCTURAL MATERIALS AND MECHANICS (SMM) • NATIONAL SCIENCE FOUNDATION
Supports fundamental research on the behavior of civil infrastructure materials and the mechanics of structural components in the built environment. Of particular interest is research on structural components consisting of natural and synthetic materials, their response to mechanical, hydrothermal, and time-dependent loads, and their impact on life-cycle performance and sustainable development of the civil infrastructure. Annual deadlines: proposals windows are 1/15-2/15 and 9/1-10/1. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13357 for details.

Application Deadline: October 1, 2013

METALLIC MATERIALS AND NANOSTRUCTURES (MMN) • NATIONAL SCIENCE FOUNDATION
Supports fundamental research and education on the relationship between processing, structure and properties of metals and their alloys. Focus is on experimental research while strongly encouraging the synergistic use of theory and computational materials science. Support includes: equilibrium, non-equilibrium and far-from equilibrium structures; thermodynamics; kinetics; diffusion; interfaces; oxidation; performance in extreme environments; recyclability; magnetic behavior; thermal transport; plastic flow; and similar phenomena. Annual deadline: proposal window is 9/1-10/31. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5351 for details.

Application Deadline: October 31, 2013

POLYMERS • NATIONAL SCIENCE FOUNDATION
Supports fundamental research and education on polymeric materials and polymer science. Portfolio is mainly experimental and diverse with components of materials science, chemistry, physics, and related disciplines. Interdisciplinarity is stressed. Central goals include advancing foundations of polymer science and pushing back the wide horizon of the field. Broad areas addressed include synthesis, molecular assembly, characterization, phase behavior, structure, morphology, and properties. Annual deadline: proposal window is 9/1-10/31. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5357 for details.

Application Deadline: October 31, 2013
FUNDING OPPORTUNITIES FOR UNDERGRADUATE AND GRADUATE STUDENTS

Please pass on these opportunities to your students as you find applicable. Please work with Sponsored Programs for preparation and submission.

UNDERGRADUATE STUDENT RESEARCHERS PROGRAM (USRP)  
NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
Offers undergraduates mentored research opportunities at 10 participating NASA centers. Eligibility is limited to U.S. citizens who have a minimum GPA of 3.0 and are concentrating in engineering, mathematics, computer science, or physical/life sciences. Students receive $6,000 (10-week summer session) or $9,000 (15-week fall or spring session), plus travel. Students may apply for one or more sessions but if awarded both, may only participate in one. See https://intern.nasa.gov/ for details on all internship opportunities and http://usrp.usra.edu/ for general USRP information.  
*Application Deadline: October 11, 2013*

GRANTS-IN-AID OF RESEARCH • SIGMA XI, THE SCIENTIFIC RESEARCH SOCIETY
Supports full-time graduate and undergraduate students and Ph.D. professionals conducting scientific research in any field of science and engineering. Awards of up to $1,000 (up to $5,000 for astronomy research or $2,500 for vision related research) pay for travel expenses to and from a research site, for purchase of non-standard laboratory equipment necessary to complete a specific research project, or for reimbursement of human subjects. Sigma Xi membership not required. Annual deadlines: proposals due 3/15 and 10/15. See http://www.sigmaxi.org/programs/giarindex.shtml for details.  
*Application Deadline: October 15, 2013*

POSTSECONDARY INTERNSHIP PROGRAM (PIP) • U.S. DEPARTMENT OF COMMERCE
Supports undergraduate and graduate internships at DOC headquarters and field offices. Disciplines are business; life, health, and medical sciences; communications; computer and physical science; mathematics. Internships last 10 weeks in the summer, and 15 weeks in the fall or spring. Applications must go through DOC partners: MAI - Spring (12/1), Summer (3/1), Fall (7/1); HACU - Spring (11/15/13), Summer (3/3/13), Fall (7/12/13); Washington Center - Spring (10/16/13), Summer (2/19/14), Fall (5/7/14). See http://tiny.cc/6qn8uw for details.  
*Application Deadline: October 16, 2013*

LANGLEY AEROSPACE RESEARCH SUMMER SCHOLARS (LARSS) PROGRAMS  
NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
Supports undergraduate juniors, seniors and first-year graduate students pursuing degrees in aeronautical engineering, mechanical engineering, electrical engineering, materials science, computer science, atmospheric science, astrophysics, physics, chemistry, or selected space disciplines of interest for a paid internship at NASA Langley Research Center, Hampton, Virginia. Applicants can apply for multiple sessions at same time but must submit by the first session’s deadline: 2014 Spring session (tentative October deadline); 2014 tentative Summer session (2/14); 2013 Fall session (6/26/13). See http://www.nianet.org/larss/ for updates.  
*Application Deadline: October 2013*

**Sponsored Programs Welcomes Patricia Graves, Associate Director of Sponsored Programs**

Pat starts her tenure with SVSU bringing with her over 30 years of experience in sponsored programs. Through her previous employment at Delta College and Michigan Works, she has obtained external funding to support academic programs, student success, faculty professional growth, economic development and capital projects. She has earned a Ph.D in College and University Administration from Michigan State University and a MPA from Central Michigan University. Her recent community involvement includes serving on the Saginaw Chamber Board, Synergy Medical Education Board, and Great Lakes Bay Michigan Works Educational Board. Pat will job-share with Janet Rentsch and be on campus Mondays and Wednesdays; Janet will be on campus Tuesdays and Thursdays. Each will monitor and respond to email throughout the week. Pat will have responsibility for Colleges of Arts and Behavioral Sciences and Science, Engineering & Technology; Janet will be responsible for the other three colleges. They will split the grants that come from the other units of the University. As always contact Sponsored Programs with any questions you have.

**Upcoming Workshops**

Call SP at extension 4295, or register, [http://www.svsu.edu/workshops](http://www.svsu.edu/workshops)

**REGISTER FOR GRANT FORWARD (formerly IRIS)**

Federal and private funding opportunities in sciences, social sciences, arts, and humanities. Save searches, set alerts, individual grant opportunities and conduct and save personalized searches.

UPCOMING FUNDING

SABBATICAL
Application Deadline: September 10, 2013
All sabbatical proposals are due in the Office of the Vice President for Academic Affairs by 4:30 p.m., September 10, 2013. The applicant's P.P.C. files must be updated and in his/her academic dean's office by the same deadline. It is the faculty applicant's responsibility to see that the signatures of their department chairperson and the dean are secured and also to see that the application is delivered by the deadline. Any application NOT RECEIVED by this deadline will be rejected. Individual Evaluation Reports (IERs) are not required for sabbatical leave applications.

RUTH AND TED BRAUN FELLOWSHIP PROGRAM—http://www.svsu.edu/sponsoredprograms/internalgrants/
Application Deadline: September 15, 2013
The Saginaw Community Foundation will award annual fellowships to two faculty/staff for three-year appointments starting January 1st following the award announcement. Each fellow will receive supporting grants totaling $37,500 ($12,500 per year) during the three year term to recognize and further their scholarly or professional activities. Braun Fellows will be expected to produce a body of professional or academic work for publication or presentation during or at the conclusion of the Fellowship term.

Recipients will be selected based on the following criteria: Significant record of publication or other scholarly or professional accomplishments; Evidence of continued and sustained achievement in teaching and service to students; Evidence of potential for future scholarly or professional growth; Quality of ideas and likelihood of successful completion of the project proposed for fellowship support; Potential benefits to SVSU from the proposed project; Clarity of the proposal.

Funding: Funds may be used for research expenses, equipment, travel, staff support, release from regular duties, undergraduate and graduate student support, collaboration with faculty from other institutions, and other related support. Expenditures will be consistent with the applicant’s Fellowship application and proposal and subject to approval by the University.

SVSU FOUNDATION RESOURCE GRANT PROGRAM
Application Deadline: October 15, 2013
This grant program is processed by submitting your application through the SVSU Enterprise Workflow System, http://kew.svsu.edu. The funds are generated by distributions from the SVSU Foundation Resource Fund Endowment. The program was created to encourage innovation and enrichment of opportunities for students. The program supports domestic conference/event travel experiences, seminars, entertainment, cultural experiences, one-time start up funds for new programs, and other projects and activities. Please note that the Resource Grant Program will no longer accept request for study abroad. All faculty and staff are eligible to apply for grant for projects enriching the educational experience of students. Notifications are usually made 30 days after submission deadline. For more information please visit: https://foundation.svsu.edu/resource-grant-program.

SVSU FACULTY RESEARCH GRANT—http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: November 15, 2013
SVSU Faculty Research, leading to publication or presentation, has funded an estimated 25 projects yearly; average release time is 3-4 hr/year; average award is $5,000. These grants are considered to be seed money designed to support research and stimulate the submission of proposals to agencies for external funding. Any faculty member who has received research support in the last three out of five years will not receive an additional award unless a research grant proposal is submitted to at least one outside agency (i.e., the National Science Foundation, National Endowment for the Humanities, Ford Foundation, and others).

SVSU PROFESSIONAL DEVELOPMENT GRANT—http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: November 15, 2013
Professional Development encourages scholarly activities such as pursuit of advanced course work or a degree in the faculty member’s own or new disciplines; retraining to develop a new specialty, such as computer programming; to learn a new skill, such as oral history techniques; or to develop a new pedagogical skill, such as competency-based instruction.

SAGINAW BAY ESI RESEARCH GRANTS —http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: Currently being accepted, no due date
Facilitates seed projects involving scientific research focused on the Saginaw Bay Watershed (e.g. water quality, pollution, land use, wildlife health/habitat, environmental/public health, geospatial characterization). Awards are limited to $4,000 each. SVSU faculty and staff may apply — preference will be given to those who are actively involved in the Saginaw Bay ESI. One application per year is allowed per project or evaluator. Please submit your proposal electronically in pdf format to Janet Rentsch (jrentsch@svsu.edu), Director of Sponsored Programs. Applicants are encouraged to discuss their projects with the institute director (David Karpovich) or any SVSU member of the steering committee (Tami Sivy, Martin Arford, and Arthur Martin). Review will begin as soon as possible after proposal receipt.
